Comments by Serenity Woods

Toward the end of the meeting, a larger group came in. April Binns asked to make a few comments. Since it wasn't a planning commission agenda item and comments were directed toward staff, we listened and took no action on her comments. She was encouraged to follow the stipulations noted in her special land use, voted by the Township board, in order to use her commercial venue.

Brad Huebner offered to walk any paperwork to the township to help along progress.
