**PUBLIC HEARING**

*Adrian Willauer, 16196 Brookwood Drive- I grew up in area and am pretty familiar with SMCAS. We lived north in the state for about 7 years with a very different medical coverage up there. I feel that a well organized and ran medical service should be self-sufficient. I do not feel like they should be relying on the municipalities for subsidy. Their history of managing their funds has not always been the best. That should be visited before we shell out more money as tax payers.*

*Cole-Crocker- Anybody else? We will close the public hearing, 6:50PM.*

**Recess Public Hearing 6:50pm**
